**Attachments:** Fire\_Impact\_on\_Ozone\_June2015\_v3.pptx

Good afternoon Guy and Fran,

Please find attached supplemental information, **Wildfire impacts on Ozone at the El Paso UTEP CAMS 12 Monitor on June 21, 2015: Animations**, for the meeting this on March 10. We request you distribute to EPA staff as appropriate. As noted on the power point slide, this information was developed by Ramboll-Environ through Western Refining. If you are staff have questions on this material prior to the meeting Erik Gribbin or I will be happy to coordinate response(s).

Thanks
